"28. In Finding of Fact 25, Staff recommends that the Company submit a Water Loss Analysis Program to Staff. The Company has a water loss rate of 43.1 percent and the Commission believes that immediate steps must be taken to address this problem. Accordingly, we will require that if the Company does not meet the time limits in the Program as recommended by Staff, Staff will be directed to proceed with an Order to Show Cause against the Company. Additionally, the new rates as prescribed in the Order will not be effective until the Company has met Staff's time limits for water loss and has reduced water loss on their system to 10 percent."

Page 10, DELETE Lines 4 ½ through 12 ½, INSERT:

"IT IS FURTHER ORDERED that the above water rates and charges shall not become effective until the following three items have been completed and filed with the Commission's Docket Control: First, the Company shall file with the Commission's Docket Control, as a compliance item in this docket, the Arizona Department of Environmental Quality documentation reporting that there are not monitoring and reporting deficiencies and the Company is delivering water that meets the water quality standards required by Arizona Administrative Code, Title 18, Chapter 4. Second, Staff shall file, with the Commission's Docket Control, a memorandum stating that the Company has submitted a plan, acceptable to Staff, of all the actions the Company will take to set up and maintain its books and records in compliance with the NARUC USOA. Third, that the Company has met Staff's time limits for water loss and has reduced water loss on their system to 10 percent."
